CAT® CERTIFIED MACHINE COMPONENT REBUILD (CMCR) PRICING

Cat machine components are built to perform not for one lifetime, but for multiple lifetimes. Don't let that extra value go to waste. Revitalize essential machine components for a fraction of the cost of buying them new.

Select any combination from the following options:

CMCR-E – ENGINE	CMCR-F – FINAL DRIVES	CMCR-E + CMCR-F	CMCR-HP – HYDRAULIC PUMP
15% OFF ON ALL COMPONENTS	15% OFF ON ALL COMPONENTS	23% OFF ON ALL COMPONENTS	35% OFF ON ALL COMPONENTS

OR

Select them all and give your machine a Flex Rebuild to unlock its second life.

ALL-IN-ONE FLEX REBUILD

60% OF THE PRICE OF A NEW MACHINE

*For illustrative purposes only. Actual rebuild costs may vary depending on machine condition, scope of work, and other factors.

TAKE ADVANTAGE OF THE EXTRA VALUE BUILT INTO YOUR CAT EQUIPMENT.

Restoring a key component's original performance and durability—plus incorporating product enhancements introduced after it was manufactured — improves the reliability of your machine and greatly extends its productive service life. A Cat® Certified Machine Component Rebuild returns your engines, transmissions, torque converters, or final drives to like-new condition, helping you get maximum return on your original machine investment.

A process this extensive requires trained professionals, specialized equipment, stringent quality control and access to the latest technical information and is available only through a Cat Certified Machine Component Rebuild performed by trained Toromont Cat technicians.

NEW WARRANTY, EXTENDED COVERAGE

Every CMCR program above includes a like-new warranty on all replaced parts. A 3-year Equipment Protection Plan (EPP) is also added to your rebuilt machine to protect you from unplanned repair costs due to covered defects in Cat material and manufacturer workmanship. And you can choose from multiple coverage options.

Cat Certified Rebuild machines are also eligible for a Cat Customer Value Agreement to help make preventative maintenance a breeze.

REBUILD FINANCING AND PROTECTION OPTIONS

Use your Cat® Card for a rebuild. The Cat Card is the fast, easy way to pay wherever the job takes you. When you use your Cat Card for a rebuild, you often get access to special offers. And eligible account holders earn Cat Card Rewards on all qualifying purchases. You can use those rewards to pay for parts, attachments, services, rentals, future rebuilds and more.

Eligible Cat Card account holders are automatically enrolled in Cat Vantage Rewards and can earn 1% back on qualifying Cat Card purchases and even more when shopping with approved online Cat retailers.

OR Take Advantage of our Special Secured Rates for a Flex Rebuild*

0% for 24 months

1.99% for 36 months

2.99% for 48 months

SCOPE OF WORK

Flex Rebuild includes engine, final drives, hydraulic pump and all these additional options:

- Recondition hydraulic control valve main
- Replace gaskets / seals, hydraulic cylinders minor
- Replace hydraulic hose / lines low pressure
- Recondition swivel
- Recondition swing drive
- Replace swing drive motor with Cat Reman
- Recondition cab

Inspection / Evaluation

- Perform fluid analysis
- Visual inspections
