**“IN THE SNOW BUSINESS,
THE FASTER YOU GO, THE
SMALLER THE SNOW GETS”**

— D. Tagmeir

SNOW SEASON STARTS WITH THE RIGHT SUPPORT.

Snow removal doesn't wait for better weather, easier conditions, or business hours. That's why Cat® equipment is built for the operators and businesses who need reliable performance, all-season comfort, and the right tools to keep moving when conditions get tough.

With Cat machines, genuine work tools, digital solutions, flexible financing options, and Toromont Cat Team support across Eastern Canada, you get more than a machine. You get the equipment, service, parts availability, and expertise to take on winter with confidence.

➤ **Legendary Reliability**

Proven Cat performance built for demanding winter conditions.

➤ **24/7 Support**

Technicians, service, and coverage when downtime isn't an option.

➤ **Parts Availability**

Fast access to the genuine Cat parts your operation depends on.

➤ **Operator-Focused Design**

Comfort, visibility, and technology designed for long winter shifts.

➤ **Lower Cost of Ownership**

Easy maintenance and fuel-efficient performance help reduce operating costs.

➤ **Our Services Commitment: Toromont Fast Track**

Exclusive to CVAs: next-day Cat® parts and two-day repairs guaranteed. If we miss the mark, we cover the cost.

➤ **Digital Tools & Connectivity**

Manage machines, monitor performance, and access support from anywhere.

CAT[®] COMPACT TRACK LOADERS

BUILT FOR TRACTION. READY FOR WINTER.

When winter conditions are at their toughest, Cat[®] Compact Track Loaders deliver the traction, stability, and versatility needed to stay productive. Engineered for demanding applications and equipped to handle a wide range of snow removal work tools, these machines help operators clear more snow with confidence, comfort, and control.

Cat Compact Track Loaders feature steel-embedded tracks and durable steel undercarriage components for maximum life in applications where underfoot conditions may not be ideally suited for a skid steer loader. Their exceptional traction, flotation, and versatility make them an excellent choice for snow removal operations.

» KEY FEATURES

Tough enough for winter performance, Cat Compact Track Loaders deliver exceptional traction on snow and ice with steel-embedded tracks and a durable undercarriage, while high-flow hydraulics power a wide range of snow

attachments. A sealed, pressurized cab, enhanced visibility, and intuitive controls help operators stay comfortable and productive through long shifts, while easy service access helps maximize uptime between storms.

CAT® SKID STEER LOADERS

MANEUVERABILITY THAT WORKS ALL WINTER

Clear sidewalks, parking lots, loading areas, and tight-access spaces with confidence. Cat® Skid Steer Loaders deliver the maneuverability, visibility, and attachment versatility needed to handle snow removal efficiently. Designed for all-day comfort and reliable performance, they're ready to keep your operation moving through every snowfall.

Width: Over Tires	5 ft 6 in	5 ft 6 in	5 ft 6 in	5 ft 6 in	6 ft	6 ft	6 ft 5 in

» KEY FEATURES

Exceptional maneuverability for confined areas, high-flow hydraulic options to power demanding snow attachments, excellent visibility around obstacles and pedestrians,

a comfortable heated cab for long winter shifts, and the durability and reliability needed to perform through the toughest snow events.

CAT® COMPACT WHEEL LOADERS

MOVE MORE SNOW WITH EVERY PASS

Engineered for maximum productivity, Cat® Compact Wheel Loaders combine lifting performance, visibility, and versatility to help snow contractors clear large areas efficiently. From parking lots and commercial properties to municipal applications, these machines deliver the power and control needed to keep operations moving after every snowfall.

COMPACT WHEEL LOADERS

	903	906	908
Lift Arrangement	Standard/High	Standard	Standard/High
Engine Power (Gross)	48 hp	74.7 hp	74.7 hp
Operating Weight	9,200 lb / 9,231 lb	12,898 lb	14,822 lb / 15,070 lb
Tipping Load (Full Turn)	5,516 lb / 5,108 lb	7,529 lb	8,311 lb / 7,252 lb
Bucket Pin Height	10 ft 1 in / 10 ft 7 in	10 ft 7 in	11 ft 1 in / 12 ft 8 in
Height: Ground to Cab	8 ft 3 in	8 ft	8 ft 8 in
Length: Overall	15 ft 5 in / 16 ft 1 in	18 ft 2 in	18 ft 9 in / 20 ft 2 in
Width: Over Tires	5 ft 7 in	6 ft	6 ft 10 in

» KEY FEATURES

High lift capacities and powerful breakout forces help move snow quickly, while articulated steering provides excellent maneuverability around buildings, vehicles, and obstacles. A spacious operator station, outstanding

visibility, and intuitive controls support long shifts in winter conditions, and compatibility with a wide range of snow removal attachments allows a single machine to tackle multiple tasks throughout the season.

CAT® SMALL WHEEL LOADERS

BUILT FOR BIGGER SNOW JOBS

When snow volumes increase, Cat Small Wheel Loaders deliver the power, capacity, and durability needed to keep pace. Perfectly suited for demanding commercial, municipal, and contractor applications, they provide fast cycle times and efficient material handling to help clear large areas quickly and keep operations productive throughout the winter season.

SMALL WHEEL LOADERS

Width: Over Tires	7 ft 4 in	7 ft 4 in	7 ft 4 in	8 ft 3 in	8 ft 3 in	8 ft 9 in

» KEY FEATURES

High-capacity buckets and snow attachments help move more snow in fewer passes, while powerful hydraulics and strong lifting performance support efficient loading, stacking, and hauling. Outstanding visibility, operator

comfort, and all-day durability help maximize productivity in challenging winter conditions, making Small Wheel Loaders a dependable choice for high-demand snow removal operations.

SNOW ATTACHMENTS

THE RIGHT TOOLS FOR EVERY SNOW JOB

When winter arrives, choosing the right attachment is just as important as choosing the right machine. Whether you're clearing sidewalks, parking lots, roads, or large commercial properties, Cat snow attachments help you move more snow, work more efficiently, and adapt to changing conditions. From high-capacity snow blowers and pushers to versatile plows and wings, Toromont Cat offers the work tools you need to get the job done all season long.

USED EQUIPMENT

GROW YOUR SNOW FLEET FOR LESS

Whether you're expanding your fleet, replacing an aging machine, or getting started in snow removal, quality used Cat® equipment can be a smart and cost-effective solution. Toromont Equip offers a wide selection of inspected used machines and attachments that deliver the performance and reliability needed to take on winter conditions with confidence.

Finding the right machine is easy with ToromontEquip.com. Browse available inventory, compare equipment, explore financing options, and reserve machines online, all backed by the support and expertise of Toromont Cat.

1 833 953-7847 | ToromontEquip.com

RESERVE YOUR MACHINE:

Secure equipment online with a deposit.

FLEXIBLE FINANCING:

Financing options available through trusted partners.

COMPARE EQUIPMENT:

Easily compare machines and attachments.

AFTER-SALES SUPPORT:

Backed by Toromont Cat service and support.

REAL-TIME ALERTS:

CAT® COMMERCIAL ACCOUNT

FLEXIBLE FINANCING FOR SNOW SEASON

Keep your operation moving with a Cat® Commercial Account, a flexible revolving line of credit that can be used for equipment, work tools, parts, service, and repairs. It's a convenient solution for snow removal businesses looking to manage expenses throughout the season while earning points on qualifying purchases.

You can earn Cat® Points on all qualifying purchases. Points are issued to you as Cat Credits that provide an immediate discount you can use to pay for qualifying purchases.

- **3% Cat Points** on purchases made through Parts.cat.com and Cat Central
- **1% Cat Points** on all qualifying Cat Card purchases

STAY READY FOR EVERY STORM

Snow removal businesses rely on uptime, and a Cat® Customer Value Agreement (CVA) helps protect it.

With planned maintenance support, genuine Cat parts, expert dealer assistance, and digital monitoring tools, CVAs make it easier to keep your machines operating at peak performance all winter long.

How does it work?

A Customer Value Agreement (CVA) is a customizable, all-in-one support plan for any Cat equipment. It ensures parts availability, quick technician response, and proactive service to boost uptime and cut costs. Toromont Cat experts provide inspections, fluid analysis, remote monitoring, and full-machine maintenance to keep your equipment running strong.

CVA also give you access to Toromont Fast Track* which ensures rapid access to parts, priority service, real-time repair updates, and hassle-free warranty repairs and updates — so you're always ready to face the snow.

CAT[®] CENTRAL & DIGITAL SOLUTIONS

YOUR SNOW SEASON SUPPORT HUB

Stay connected to your equipment and support team from anywhere with Cat Central and Toromont Cat digital solutions. With quick access to parts, service, and machine insights, you can spend less time managing equipment and more time clearing snow.

With Cat Central, you can:

- Access machine-specific information with a QR code
- Search and review fault codes
- Connect with your nearest Toromont Cat branch
- Get 24/7 support
- Schedule parts pickup or delivery
- Order genuine Cat parts

STAY CONNECTED
